

## **SIGNING UP TO HELP AT THE QUILT SHOW**

As usual, in 2010, we plan to exhibit quilted work from both Guilds and offer free demonstration classes to the public. We will need your help with the following:

### **Before the show:**

- Entering a quilt or quilted item (it wouldn't be a quilt show without these items)
- Creating boutique and Silent Auction items for the public (and guild members) to purchase.
- Offering to do a demonstration either Sat. or Sunday of the show
- Spreading publicity flyers around the community
- Setting up the show on Friday March 19

### **During the Show:**

- Manning our community service table to show you how we reach out to support our community organizations.
- Selling raffle tickets
- Helping in the Hospitality Room
- White gloving
- Working at the Boutique or Silent Auction table
- Taking money at the admissions desk
- Helping at the membership table
- Relieving vendors for food and restroom breaks
